

Yosemite National Park Full Trailheads Report

Thank you for your interest in hiking Yosemite National Park. Below is a list of dates that are fully booked for given trailheads throughout the season. If you do not see your prospective date listed as full, it is often the case that space for only one person (note: not group) remains.

Applicants interested in hiking the John Muir Trail should be looking at the Donohue Pass Availability Chart located all the way at the bottom of this document.

Thank You.
